🗢 Giving	~	Search names, phone numbers, emails, and address	es	q

- 2. Once you are looking at your record in the database, click **Edit**, then under "Picture," click **Browse**, or simply drag and drop your desired picture on the specified part of the webpage.
- 3. Select a photo on your computer, then click **Ok** (or "Open") when you are ready to make the change.
- 4. In ShelbyNext, click the Save button to apply your changes!

ShelbyNext | Membership App

- 1. Open the ShelbyNext I Membership app on your device. If you need to sign in to the app, the domain is **eastminster**. Your username and password are the same as your ShelbyNext website login.

- 2. Tap your name on the bottom of the welcome screen to bring up your Individual profile
- 3. On your Individual Profile, tap the silhouette in the circle to bring up the profile photo. If there is no photo, this will appear as a black screen. Tap **Edit** on the bottom of the screen.

- 4. Decide whether you want to Choose Photo to pick a photo you have already taken, or Take Photo to take a new picture.
- When you are happy with your new photo, tap Use Picture, then tap Done.
 Enjoy your new profile photo in ShelbyNext!
